

Dear all,

Last week, the sky above St Neots was filled with this - did you see it?

This heart is a symbol of hope because it speaks of God's love for us - a love that continually watches over us all.

As Paul said to the church in Rome (Romans 8: 38-39):

*For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.*

Hold onto this truth today and for all eternity
