Thank you for your donation to Spring of Hope Uganda! It really makes a difference for the children in our community during a time of uncertainty.

Thanks to you, kids within families and families have been blessed with food. Instead of going or sleeping hungry. our kids are learning to appreciate the blessing of food, health, and God's love, they are happier forming friendships with peers and relationships with their parents and guardians, and improving their mindset towards their disability nature....(this) has been the best gift God called us to do, you have done it too. To show love to these innocent children is by such gifts that they will know they are loved beyond measure.

Parents and guardians within these families send thank you messages, they could not afford to buy food or afford treatment for a child during this period of time where everyone is in total poverty and lacking each and everything essential in a home, most husbands have abandoned children of disabilities and hide away from their responsibilities. And most mothers are struggling to make ends meet for their children.

Your donation has improved lives and creates smiles for these children.

Prayer Request!

Pray for God's love and provisions towards our work, towards us as a family. We love you and may God bless you abundantly.

Thank you again for the support towards the Spring of Hope kids!

Sincerely, Israel & Teresha
