---

Dear all,

How good are you at reflecting on both your own life and life in general around you?

Coming up this Sunday is our Annual Meeting when we reflect as a Church on the last year, considering what has been good and what has been tough. Do listen out for my reflections in the 10am streamed service, before the Annual Meeting at 11.15am on Zoom.

At the same time, can I encourage you to reflect on your own life too -what has been good and what has been tough. Do use the season of Lent we're in at present to engage in meaningful self-examination.

In all our reflections, let us remember that God is faithful through all seasons of life. As Isaiah 40:31 reminds us:

*But those who hope in the Lord will renew their strength.  
They will soar on wings like eagles.  
they will run and not grow weary, they will walk and not be faint.*

Take this time to reflect on what is good in your life and thank God for these things. Then for the things that are tough, let's draw on the strength that God gives to take us through – He is faithful! Hallelujah!

With every blessing,  
Tim
