Thank you for your prayers through February. The afternoon tea with members currently in London and the Southeast of England went really well on **8 February**. Everyone enjoyed the afternoon tea packs Litsa sent and appreciated the opportunity to get together. Do continue to pray for the eight members who are waiting to return to creative access nations (CAN) but can't. Over sixty people attended the 'Please Hold' event on **18 February** so thank you for

15-17 Mar	AR Meeting
25 Mar	Team Meeting
27 Mar	Virtual Vietnam
2 Apr	Good Friday

praying for that. It is the first time we have held an event on a weeknight, and we were pleased with how it went. About ten students attended the LST Mission focus morning on **1 March** and Allen was able to follow up with two after, who had questions about serving with OMF.

This week we have Susie, who comes from outside our region in the UK, sharing at the OMF prayer meeting on **11 March**. She works in a CAN and it will be interesting to hear from someone we don't know so well. Then the following week, **15-17 March**, we will have a virtual Area Reps meeting. I think it is fair to say that the novelty of virtual meetings over a number of days has worn off! Do pray we will be able to concentrate and stay engaged. Please pray too for the Virtual Vietnam event on **27 March**. We have great speakers, and it is a country with so much potential for the Gospel. Please pray that God would challenge many to commit their lives to serving him there. We also look forward to what will be a very different Easter at the beginning of April and want to wish you a very happy Easter wherever you are. May we all live in the secure knowledge that our sins are forgiven and in the certain hope that we too will be resurrected as Jesus was.

On the family front, Allen was excited to get his first Covid-19 vaccination last Saturday and Georgia and Jamie were happy to get back to school this week. We are looking forward to the lockdown easing in April. Please continue to pray that Hanna will get an appointment soon. We will let you know when she does.

Normally once a year we take stock of our financial situation. We are able to continue as members of OMF because of the churches, family and friends who partner with us through prayer and giving, and we want to say a big **thank you** to you for your support over the last year. We are grateful to God that through our personal support and general giving to OMF we received 100% of our budget for 2020. This is amazing and OMF is grateful to God for the way he has provided in this difficult time. However, for the first time for many years our personal support level was 47%, which is below the minimum support level we need of 50%. Please pray with us that this year we would be able to see that percentage increase and exceed our target.

Much love, Allen-Litsa-Jessie-Georgia-Jamie
