

Dear all,

As we move towards what we hope will be the final lifting of various social distancing restrictions, how are you getting on? What steps have you taken forward this past week? What steps are you going to take this coming week?

Here at St Mary's, we want everyone to recover well, which is why as a Church, we are investing a lot of time and energy into the 'Spaces'. We want to ensure that everyone remembers, reflects and recovers well from our experiences over the last 18 months.

Self Guided Spaces on offer include: Finding our voice; Remembering my favourite things; Lamentation: giving voice to our loss; Dealing with worry, Hope for the Future and Thanksgiving. You can make use of these Spaces between now and 1st August as follows:

Tuesdays & Wednesdays 10am-12noon Fridays & Sundays 2pm-4pm

Guided Spaces include: A Craft space (on Tuesdays 10am-12noon) and an Art Space (on Friday afternoons 2-4pm).

Other Spaces including Sung Spaces and Family Lunches are currently on hold until the last of the social distancing restrictions lift – do watch this space for more information about these in the next few months.

We hope you will join us.

With every blessing Tim
