Thank you for praying for the Cambodia monthly prayer meeting which is now up and running. Allen was able to join the meeting in August as a participant and was very encouraged. Please do continue to pray for the next meeting on **6 September** and if anyone would like to join it, let us know and we will put you in touch with the person managing the distribution list. Thank you too for praying for Allen's presentation to the ECIC. It was a joy for him to join a group of ten new workers (Appointees is the OMF word) and share with them from God's word on spiritual formation. Do continue to pray that the Appointees will get the clearances they need to go to Asia.

This month everything is starting up again. We would value your prayers for Allen as he prepares a talk on Mark's Gospel for fellowship group leaders at All Souls on **6 September**. Please pray too that

everything will fall into place for the virtual Christian China Focus (CCF) meeting on **25 September**. We have three excellent speakers so do pray that people will take the time to be informed and pray for the spiritual needs of China. In addition, we are also running 'The Great Japanese Fry Up' on **11 September**. These cooking Zoom events have been popular this year so do pray that people will be intrigued and join the meeting. Allen will also be attending an OMF Area Reps meeting at Borough Green from **13-15 September** and would value your prayers as we make plans for 2022 during these uncertain times.

Prayer Points Summary

We are very grateful to God for the time we had in Greece. It was so good to see the wider family and be together. Navigating British, Greek, Austrian and German Covid requirements was a challenge, and it was a relief to get back to London without being deported! Do pray for the girls as both Georgia and Jamie are starting new schools. Georgia is at her sixth form induction day at Dame Alice Owen's today and Jamie starts secondary school at Wren Academy on Monday. After having at least one daughter at St James primary

school since we returned from Malaysia, it felt like the end of an era when Jamie finished there in July. Jessie is staying with us at the moment but will start her second year at university at the beginning of October.

Outside the Tomb of Philip II of Macedon

While writing this PNB can be a chore sometimes, we are so grateful to God for the way it has kept us in touch with you. Thank you for your partnership with us over the years, it is very precious to us.

Much love, Allen-Litsa-Jessie-Georgia-Jamie
